

SEMİH YILMAZ

+90-553-363-\*\*\*\* / semihyilmaz032@gmail.com / Türkiye

## ABOUT ME

---

- Game Developer with hands on experience in developing/publishing 30+ apps/games (6,000+ users) across Steam, Google Play, itch.io, and GitHub. I also self-hosted/designed/developed multiple websites.
- Achieved top rankings (1st, 2nd and 4th places, all top 1%-2%) in global game jams.
- Fluent in English and Turkish; creator of a programming-focused English YouTube channel.

## EXPERIENCE

---

### Larkwood Falls

05/2025 – 09/2025

*Game Developer*

- Engineered and implemented core gameplay mechanics using Unity and C#; focusing on player controls, interactions, and AI behavior.
- Drove optimization by profiling, debugging, and refactoring C# scripts, and utilized Git for version control within an agile development framework.
- Collaborated within a multidisciplinary team of developers, artists, and designers to successfully integrate new features.

## SKILLS

---
